

MicroSaver® Keyed Laptop Lock - Custom Master Access - Like Keyed

Your first line of defence.

K64186FL

Product Description

Deter thieves from stealing your laptop and the personal information on it. T-Bar™ locking mechanism and high-carbon steel cable provide maximum protection that attaches to the standard Kensington security slot found in 99% of laptops. Secure, protect and lock down your computer and leave it safe.

Features

- Hidden Pin™ technology ensures tubular locks cannot be picked offering the highest level of security
- Tamper Evident™ technology alerts you that someone has tried to steal your device
- Anti-Shear™ technology protects against intrusion by force
- Multi-stranded 1800mm long, 5.3mm thick high-carbon aircraft-grade steel cable with carbon tempered steel core
- Built-in defense system guards against lock tampering
- Custom keyed options available
- Like Keyed locks protect your equipment from non-employee theft while giving employees the access they need to be productive, using shared, identical locks and keys
